

WAD ASSIGNMENT 3b

Rollno : 33263

Batch:N10

A screenshot of a web browser displaying the 'PICT Student Portal' registration page. The browser's address bar shows 'localhost:5000/register'. The page has a blue header with the text 'PICT Student Portal'. Below the header is a light gray background with a white registration form. The form contains three input fields: the first has 'anushka_rithu', the second has 'anushka.rithu@gmail.com', and the third is a password field with masked characters. A blue 'Register' button is at the bottom of the form.

A screenshot of the same 'PICT Student Portal' registration page, but with an error. The email input field now contains 'anushka.rithu'. A red error message box is displayed below the email field, stating: 'Please include an '@' in the email address. 'anushka.rithu' is missing an '@'. The 'anushka_rithu' text remains in the first input field, and the 'Register' button is still visible at the bottom.

Browser window showing a table of users:

| Serial no | Name | Email | Action |
|-----------|---------------|-------------------------|---|
| 1 | dcds | rithe.sanika@gmail.com |   |
| 2 | kunal | lewiscaria775@gmail.com |   |
| 3 | anushka_rithe | anushka.rithe@gmail.com |   |
